Work Experience Cont.

2012 to Current

VETnetwork Australia: Finance Manager

My role as the Finance Manager for VETnetwork Australia has exposed me to the breadth of the education sector. My educational studies have allowed me to successfully implement strategies, such as scaffolding to teach team members new skills in accounting. This role has given me management skills as well as senior reporting skills. This is transferrable to the school environment where I look forward to being a professional teacher and team member.

Professional Activities

- ASIC Money Smart Teaching Professional Development
- SACE Task Design
- Vocational Education Conference
- Responding to Abuse and Neglect
- Certificate III in Business Administration
- Certificate III in Accounting

Additional Areas

I am currently involved with two Not For Profit educational organisations in a financial role. These roles have allowed me to strengthen my knowledge in the wider educational realms. Both organisations gave me a working knowledge on the importance of mentoring in schools and workplaces. Working with the *Australian Federation of Societies for Studies of Society and Environment* (AFSSSE) allowed me to gain a working knowledge of the creation and implementation of teacher resources.

- Assistant to the treasurer *South Australian Mentoring Network*.
- Assistant to the treasurer *Australian Federation of Societies for Studies of Society and Environment*.
